## How Shotgun Mini Golf works

- Choose from two challenge levels - easy or hard.
- Everyone starts on a designated hole. Play begins at the sound of a siren and each group moves onto the next hole until all 18 holes are played.
- Groups of up to 6 players per hole allows you to have 108 players for a Shotgun start and the game takes approx. 1 hour to play.
- Food Packages from Pizzas to Platters after the game are available.
